As you enter, you step into an open but cosy space where you are welcome to work, rest or partake in activities that are going on- when appropriate. We are a dog-friendly venue and aim to make everyone feel welcome.

The Venue

To the right of the living room, through a set of double doors, we have The Venue. It is a multi-functional larger space used for workshops, seminars, markets, art exhibitions, rehearsals and theatrical and musical performances. We have a simple lighting and sound system rigged and a small raised stage for performances (some tech spec details below). One wall is glass but privacy can be created with the blackout curtain system within the space. We can provide a projector & screen, microphones and a selection of sound systems and lighting options. The Wellbeing Room
